

SESOBEL

Founded in 1976

Welcome to the colorful world of our children!

The paintings in the following pages were all done by children at SESOBEL.

All the funds raised from selling them will go entirely towards the new Autism center that is being built.

Your support is highly appreciated!

WHO IS SESOBEL?

SESOBEL is a Lebanese NGO **founded in 1976** to cater for the needs of disabled children with physical and/or mental disabilities, as well as children with Autism.

SESOBEL'S MISSION

Our mission is to **assist the disabled children, help their families, and generate social awareness** to their needs and rights.

If a child can't learn the way we teach, maybe we should teach the way they learn.

WHAT SESOBEL DOES

In 2014, SESOBEL assisted **838 children & youth** (with physical and/or mental disabilities, and autism)

We also strive to meet the complex needs of the children with Autism & their families.

While there is no cure, early intervention is critical and can greatly improve a child's development.

In 1981, we started the early intervention program for children with Autism. Unfortunately, with 75 children and youth with Autism, we have now reached the maximum capacity in our current building, thus hindering the proper implementation of our assistance program.

Therefore, **we urgently started building our new & better adapted Autism Center**, and for that we need all the help we can get!

Meet some of our young artists... Building their dreams, one brush stroke at a time.

Meet our artists who went deep inside their world to reveal pure beauty. They love to play with colors, splash with brushes, spatter with their hands... Today they are hoping to win your interest and appreciation by offering you their new collection for Winter 2015.
